

如何變更 Web 主控台密碼

1、 使用帳號密碼登入 Web 主控台

The screenshot shows the Trend Micro Licensing Management Platform login interface. At the top, there is a navigation bar with the Trend Micro logo and the text "Licensing Management Platform" and "Powered by TREND MICRO". Below the navigation bar, there is a large graphic of a globe. To the right of the graphic is a login form with the following elements:

- 登入 (Login)
- 帳號: (Username) [input field]
- 密碼: (Password) [input field]
- [忘記密碼了?](#) (Forgot password?)
- 記住我 (Remember me)
- 登入 (Login) button
- 還沒有帳號? [立即註冊](#) (Don't have an account? Register now)

On the left side of the login form, there is a section titled "As a service provider, this platform gives you:" followed by a list of benefits:

- Instant Provisioning - Provision a service for your customer anytime.
- Easy Customer Support - One-click access to customer information and license status.
- True Software-as-a-Service - Provide your service as a monthly service plan.
- Great Brand Name Exposure - Put your brand and logo on the platform and on selected services.

2、 點選 [My Account] > [Change password]

The screenshot shows the "My Account" page in the Trend Micro Licensing Management Platform. The navigation bar at the top has "My Products/Services" and "My Account" (highlighted with a red box and labeled "1"). Below the navigation bar, the "My Account" section is displayed. It includes the following information:

- Account ID: [redacted]
- Password: [redacted] [Change password](#)  (highlighted with a red box and labeled "2")

3、 輸入要修改的密碼資訊，輸入完畢點選 [Confirm] 儲存設定。

The screenshot shows a "Reset Password" dialog box with the following fields and buttons:

- Current password: [input field]
- New password: [input field]
- Confirm password: [input field]
- Confirm button
- Cancel button
