

FIRM OVERVIEW

GODFREY & KAHN

Godfrey & Kahn was founded on a simple idea - judge our success by the success of our clients.

For over 65 years, our firm has provided high-level service and creative legal solutions to our clients.

We serve clients by first understanding their business and their needs, and then by offering strategic legal advice and smart, practical solutions to real world problems. Our attorneys are quick to collaborate in the interest of client success and service their needs with efficiency and responsiveness.

Trusted Counsel

Godfrey & Kahn has a diverse and deep client base, ranging from multinational publicly traded and privately held companies to middle market and family-owned businesses. Whether advising in-house counsel or acting as a client's outside general counsel, our goal remains the same—understand our clients' businesses and strategic objectives, and work with them to find and implement solutions that will help them be successful and reduce risk.
